General information

Iâ€™m Olamide, and your privacy is important to me.

So here are the details of what types of personal information I receive and collect when you use or visit [The Jet Lawyer](#), and how I safeguard your information. I never sell your personal information to third parties.

What information do I collect from you?

I collect information from you when you comment on my site, place an order or interact with the site by providing information in any manner.

When ordering or commenting on my site, as appropriate, you may be asked to enter your name, email address, mailing address, phone number or credit card information. Note that I do not and cannot access your sensitive information such as credit card details, even when you make purchases through my website. So youâ€™re totally safe. You may, however, visit my site anonymously.

Log files

As with most other websites, I collect and use the data contained in log files. These include your IP address, ISP, browser type, the time you visited my site and which pages you visited throughout my site.

Cookies and web beacons

I use cookies to store information, such as your personal preferences when you visit my site. This could include only showing you a popup once in your visit, or the ability to use some of my site features, such as comment form subscription.

You can choose to disable the cookies in your browser settings, or by managing your preferences in programs such as Norton Internet Security. However, this can greatly decrease your user experience and prevent you from using some of my services.

What do I use your information for?

I implement a variety of security measures to maintain the safety of your personal information when you place an order, submit a comment or supply any other personal information. Any of the information I collect from you may be used in one of the following ways:

- To personalize your experience (your information helps me better respond to your individual needs).

This does not include trusted third parties who assist me in operating my website, conducting my business, or servicing you, so long as those parties agree to keep this information confidential. I may also release your information when I believe such release is appropriate to comply with the law, enforce my site policies, or protect my or othersâ€™ rights, property, or safety.

However, non-personally identifiable visitor information may be provided to other parties for marketing, advertising, or other uses.

Third party links

Occasionally, at my discretion, I may include or offer third party products or services on my website. These third party sites have separate and independent privacy policies. I therefore have no responsibility or liability for the content and activities of these linked sites. Nonetheless, I seek to protect the integrity of my site and welcome any feedback about these sites.
